

MSSP ACO PARTICIPATION WAIVER DISCLOSURES

Pursuant to a Final Rule, titled “Final Waivers in Connection With the Shared Savings Program” (80 Fed. Reg. 66,726 (Oct. 29, 2015)), the Secretary of the U.S. Department of Health and Human Services has provided waivers of certain federal fraud and abuse laws that may otherwise limit innovation by ACOs participating in the Medicare Shared Savings Program (“MSSP”). In accordance with the Final Rule, the board of directors of CareMax National Care Network, LLC (“CNCN”) has made a bona fide determination that the following arrangements are reasonably related to the purposes of the MSSP, and CNCN seeks waiver protection for the arrangements described below:

1. Effective November 15, 2023, CNCN entered into an Infrastructure Support Program Agreement (the “Agreement”) with PrimaCare, P.C. to support the employment of Nurse Quality Coordinators by PrimaCare, P.C. The Nurse Quality Coordinators will identify and manage actionable clinical interventions among the Medicare population to improve quality of care and patient outcomes.
2. CNCN has developed a Participation Waiver Program Agreement, pursuant to which CNCN will contract with a select group of skilled nursing facilities (“SNFs”), which are participating in the CNCN MSSP ACO, to incentivize high quality and cost-effective performance through health care reform, enhance the coordination of care across the continuum, and improve the quality and efficiency of care experience by CNCN ACO beneficiaries. The agreement will create a network that rewards high performing SNFs based on quality and efficiency metrics and ensures high-value SNF partners are an option for CNCN MSSP ACO physicians and beneficiaries.
